FROZEN

Take the guesswork out of creating the perfect drink. Blackbird mix is already balanced with the right amount of flavor, sweetness, and acidity, so all you need to do is mix it with water and spirits, and then pour it into a blender or frozen beverage machine. This makes it a great option for rooftops, patios, or other venues where you need to serve a large group of people high-quality frozen cocktails and time is of the essence.

TOOLS NEEDED

- Bucket
- Whisk
- Frozen Beverage Equipment

BATCHED COCKTAILS

With Blackbird’s 10 base flavors, serving craft cocktails over ice has never been simpler.

Batched cocktails are an excellent option for those wanting to streamline their prep process. By premixing drinks ahead of time, bartenders can turn orders around quickly and efficiently, without sacrificing flavor or presentation.

Beverages can be made in large quantities and stored in bottles, dispensers, or kegs, making them ideal for high-demand venues. All that remains is the choice of ice and garnish.

FROSÉ

BB-105

Blackbird Frosé features delicate hints of ripe strawberries and peaches with citrus notes. When blended with rosé wine and vodka, Blackbird Frosé is a spring and summer darling. Floral, aromatic, and fresh, Frosé is a refreshing alternative to spirit-forward cocktails.

Rosé Sangria

SPICY MARGARITA

BB-109

The first beverage to “Spice Up Your Life” since the hit song in 1997 (Yes, this is a Spice Girls reference.) A drink that’s responsible for more romance than chocolate or flowers. You can pair it with tacos or guac’ but remember that Tuesday isn’t the only day worth spicing up with a Blackbird Spicy Margarita.

INGREDIENTS

Organic Cane Sugar, Water, Organic Blue Agave, Natural Flavors, Organic Lime Juice Concentrate, Citric Acid, Lemon Juice Concentrate, Agar Gum.

SANGRIA

BB-107

Featuring bold notes of wine-poached apples, blood oranges, limes, pears, and spices, the Blackbird Sangria is a throwback to summers spent in Barcelona, drinking the refreshing, fruit-laden punch with friends. All it needs is the addition of your favorite *vino rojo* (red wine), brandy, and tapas.

BITTERS

BB-108

You love using bitters in on-trend frozen cocktails but know how difficult it is to deliver the complex flavors of the spirit without using dozens of dashes. This mix contains bitters' bold, botanical notes, rounded out with ripe blood orange. Blackbird Bitters has many applications – our favorite is the Frozen Old Fashioned.

INGREDIENTS

Organic Cane Sugar, Water, Blood Orange Juice Concentrate, Natural Flavors, Citric Acid, Fruit and Vegetable Juice for Color.

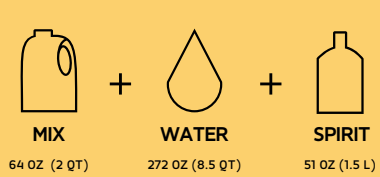

Old Fashioned

GINGER

BB-102

Zingy Moscow Mules without bottles of ginger beer cluttering up the bar. Blackbird Ginger delivers the bold and spicy notes of fresh ginger along with a touch of acidity that pairs flawlessly with both light and dark liquors.

INGREDIENTS

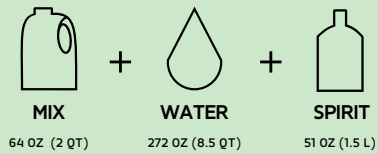

Organic Cane Sugar, Water, Ginger Juice, NonGMO Soluble Corn Fiber, Organic Lime Juice Concentrate, Natural Flavors, Citric Acid, Sodium Citrate.

MOJITO

BB-110

A popular summer cocktail that is destined to make you feel like you're at a beach year-round, no muddle necessary. With herbaceous mint flavor, organic lime juice, and sweetness from organic cane sugar, a frozen mojito has never been so delicious.

INGREDIENTS

Organic Cane Sugar, Water, Natural Flavor, Lemon Juice Concentrate, Organic Lime Juice Concentrate, Citric Acid.

CITRUS

BB-106

One of the most versatile of mixes, Blackbird Citrus is a perfect base to riff on for citrus-forward frozen cocktails. With hints of lemon and lime plus their peels, this blend offers mixologists creative flexibility.

Tom Collins

MARGARITA

BB-101

The Margarita is a classic that’s never out of style—and for good reason. Stick with the tangy original to achieve simplicity at its best, or use Blackbird Margarita as the foundation to create unique craft flavors, such as a Mezcal Mango Margarita.

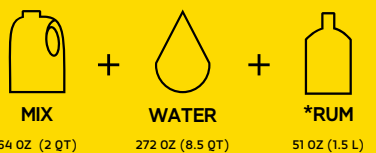

INGREDIENTS

Organic Cane Sugar, Water, Organic Blue Agave, Organic Lime Juice Concentrate, Citric Acid, Lemon Juice Concentrate, Natural Flavors, Agar Gum.

PIÑA COLADA

BB-103

Coconut water and tart pineapple tango in the mainstay beachside cocktail that’s refreshing, tropical, and just sweet enough.

(*DARK, WHITE OR COCONUT)

INGREDIENTS

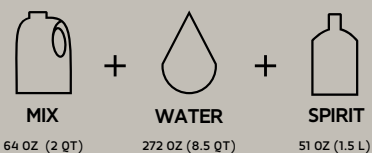

Organic Cane Sugar, Water, Natural Flavors, Organic Coconut Water Concentrate, Organic Pineapple Juice Concentrate, Citric Acid. **Contains:** Tree Nuts (Coconut).

NEUTRAL

BB-100

Working up a frozen cocktail that needs a balanced base to highlight soft and delicate flavors?

The Blackbird Neutral mix—perfect for everything from Aviations to Palomas—is a clean blank canvas.

INGREDIENTS

Organic Cane Sugar, Water, Citric Acid, Natural Flavors.

Why Bartenders Love Blackbird?
